

CoxHealth Center Chesterfield Louis Krenn MD

Welcome to CoxHealth Center Chesterfield. Whether you are a new patient today or have been with me for a while, I want to thank you for allowing me to care for you and your healthcare needs. Below is a brief synopsis of the services I offer and helpful resources available to you.

Services offered:

- Comprehensive, compassionate care for patients of all ages, including newborns
- Wellness visits including immunizations, labs, and a complete examination
- Sports physicals and treatment for sports related injuries
- Advice for international travel and missionary physical examinations
- Minor procedures such as mole and wart removal and ingrown toenail removal
- Chronic disease management, including diabetes, COPD, heart disease, among others
- EKG and full lab services with results called the next day in most instances
- Same day appointments reserved for acute illness or other urgent needs
- 24/7 telephone access via the Professional Answering Service by calling our normal clinic phone number
- Convenient electronic medication refills. Please contact your pharmacy directly and allow 24-48hrs for refill requests

Resources available:

- CoxHealthNow app – available on the Apple App Store and Google Play Store with easy access to multiple health system resources and a symptom checker
- CoxHealth Express - our patient portal with secure messaging, online scheduling, access to your lab results, radiology exams, medication list, problem list among other items.
- LouisKrennMD.com - links to quality online medical resources, pharmaceutical patient assistant programs, and other resources, including link to my social media sites on FaceBook, Twitter, and YouTube. I do answer general questions via social media, but for your privacy, please do not message personal health information through social media. I encourage you to use CoxHealth Express for secure messaging.
- CoxHealth.com - convenient access to CoxHealth Express, online bill pay, and Virtual Visits, our telemedicine program for minor illnesses.
- GoodRx.com – help with medication costs at most pharmacies
- Familydoctor.org – trusted medical advice from the American Academy of Family Medicine
